Saint of the week

Servant of God Julia Greeley, Denver's Angel of Charity, was born into slavery and emancipated after the Civil War. She spent her life serving the poor with a special devotion to the Sacred Heart of Jesus and a love for children and praying for the city's fire fighters.

Prayer

Heavenly Father, Your servant Julia Greeley dedicated her life to honoring the Sacred Heart of Your son and to the humble service of the poor. Grant to me a generous heart like Your son's, and if it be in accordance with your holy will, please grant this favor I now ask through Julia's intercession (insert intention).

I pray this through Christ our Lord.

Amen.

Bishop McKnight on the remains of Sister Wilhelmina Lancaster

I want to briefly address the interest in our neighboring diocese regarding the mortal remains of Sister Wilhelmina Lancaster, the foundress of the Benedictine Abbey in Gower, Missouri. Her remains were recently exhumed by the order to be moved to their chapel.

This enthusiasm makes it clear there is a deep hunger in our society for the miraculous — a desire to see the power of God with our own eyes.

But with this excitement comes a need for caution. The Most Reverend James V. Johnston, Bishop of Kansas City -St. Joseph, who has pastoral responsibility for the monastery, has announced he is creating a process to understand the nature of the condition of Sister Wilhelmina's remains.

Our Catholic Church has procedures to investigate purported miracles and the causes for sainthood. It is important to remember these processes are slow, prudent efforts. There has been no declaration of a miracle, nor has the process to consider the cause for canonization of Sr. Wilhelmina Lancaster begun based upon heroic virtues.

For these reasons, and for the concerns of civic authorities for the safety and well-being of visitors, I discourage anyone in the Diocese of Jefferson City from visiting the Benedictine Abbey in Gower, MO, or treating the mortal remains of Sister Wilhelmina as relics.

As we pray and wait, I want to again acknowledge the natural desire to experience the miraculous. If you are feeling this right now, please seek out the Eucharist. The real presence of Christ in our celebration of the Mass and in our reception of His Body and Blood in sacramental communion is the true center of our faith. Everything else is secondary. I also join Bishop Johnston in his call inviting everyone to continue their prayers for the Benedictines of Mary, Queen of Apostles; for all women religious; and all the baptized in our common vocation to holiness, with hope and trust in the Lord.

Obispo McKnight sobre los restos de la hermana Wilhelmina Lancaster

Quiero abordar brevemente el interés en nuestra diócesis vecina con respecto a los restos mortales de la hermana Wilhelmina Lancaster, fundadora de la Abadía Benedictina en Gower, MO. Sus restos fueron exhumados recientemente para ser trasladados a su capilla.

Este entusiasmo deja en claro que hay una profunda hambre en nuestra sociedad por lo milagroso, un deseo de ver el poder de Dios con nuestros propios ojos.
Pero con esta emoción viene la necesidad de tener precaución. El Reverendísimo James V. Johnston, Obispo de Kansas City -St. Joseph, quien tiene la responsabilidad pastoral del monasterio, ha anunciado que está creando un proceso para comprender la naturaleza de la condición de los restos de la hermana Wilhelmina.

Nuestra Iglesia Católica tiene procedimientos para investigar supuestos milagros y las causas de la santificación. Es importante recordar que estos procesos son lentos y prudentes. No ha habido declaración de milagro, ni se ha iniciado el proceso para considerar la causa de canonización de la hermana Wilhelmina Lancaster basado en virtudes heroicas.
Por estas razones, y por las preocupaciones de las autoridades civiles por la seguridad y el bienestar de los visitantes, desaliento a cualquier persona en la Diócesis de Jefferson City que visite la Abadía Benedictina en Gower, Missouri, o que trate los restos mortales de la hermana Wilhelmina como reliquias.

Mientras oramos y esperamos, quiero reconocer nuevamente el deseo natural de experimentar lo milagroso. Si usted siente esto en este momento, busque la Eucaristía. La presencia real de Cristo en nuestra celebración de la Misa y en nuestra recepción de Su Cuerpo y Sangre en la comunión sacramental es el verdadero centro de nuestra fe. Todo lo demás es secundario. También me uno al obispo Johnston en su llamado invitando a todos a continuar sus oraciones por los benedictinos de María, Reina de los Apóstoles, por todas las religiosas y todos los bautizados en nuestra vocación común a la santidad, con esperanza y confianza en el Señor.

DONATIONS THAT SAVE LIVES

Parishioners have asked about the possibility of securing a defibrillator for our parish due to the number of individuals that use our church, our parish hall, and soccer field.

Thanks to a generous donation from Drs. Melanie and Roy Elfrink we will be able to purchase one for the parish. BUT ONE IS NOT ENOUGH!

We feel there should be one in the foyer AND an additional one in the parish hall, so we plan on purchasing two. Would you like to donate towards the purchase of the second defibrillator? Place your donation in an envelope marked DEFIB and place it in the weekend collection plate. Your gift will help us purchase the second defibrillator and may help save a life!

DONACIONES QUE SALVA VIDAS

Los feligreses han preguntado por la posibilidad de conseguir un desfibrilador para nuestra parroquia debido a el número de individuos que usan nuestra iglesia, nuestro salón parroquial, y cancha de fútbol.

Gracias a una generosa donación de los Doctore Melanie y Roy Elfrink podremos comprar uno para la parroquia. ¡PERO UNO NO ES SUFICIENTE!

Creemos que debería haber uno en el vestíbulo y una adicional en el salón parroquial, por lo que planeamos en la compra de dos. ¿Le gustaría donar para la compra del segundo desfibrilador?

Coloque su donación en un sobre marcado como DEFIB y colóquelo en el plato de recolección del fin de semana. Tu regalo nos ayudará a comprar el segundo desfibrilador y puede ayudar a salvar una vida!
