## NOTE FROM FR. KEVIN:

Dear Parishioners:

I strongly encourage you to take advantage of the "Science Tests Faith" Program (Deeper Faith – You Shall Believe) here at St. Peter Church on Thursday, Feb. 9 and Friday, Feb. 10 at 7PM each evening.

An understanding and appreciation of Christ Presence among us is vital to the life of our Catholic Faith. As the Catechism say "The Eucharist is the source and summit of the Christian Life." We would not have a Catholic Parish without the Eucharist.

The endorsement on today's insert in the bulletin are very impressive and they indicate the importance of this program to strengthen our Faith in the Presence of Jesus in the Eucharist. I believe that your coming to the program will be a special blessing to our parish.

**WHO SHOULD COME & WHO SHOULD YOU BRING?**

- The most devoted Catholics you know.
- The "I will believe it when I see it" type
- The "I believe in God but NOT organized religion Type
- Non Catholic Christians
- The "Catholic Mass" is so boring types
- The son, daughter, grandson, or granddaughter that does not see the need to go to church every Sunday
- The "I was born and raised catholic but I no longer go to church"

Please come both evenings as the second evening builds on the previous evening. The program is FREE and Free babysitting is offered in the Parish Hall.

Sincerely, Fr. Kevin

**About the presenter of "Science Tests faith" – Tim Francis:**  
*Tim grew up in New Carlisle, Ohio. He resides now in Ft. Worth Tx, with his wife, PK, and their three children. IN his youth, Tim was a "cultural Christian." His parents were devout Catholics, and Tim was an altar boy, but he was "just going through the motions." Then came college and it was party time. Marriage and a family brought some spiritual growth into his life. He questioned why he believed what he believed. His mother gave*

*him a tape, "Signs form God-Science Tests Faith." Tim was deeply moved by it b, but set it aside, caught up in his busy life. Upon finding it again later, he read Ron's book, "Reason to Believe." Tim testifies that his book rooted in unassailable science, shook his world. Filled with a conviction to increase devotion to the Eucharist, he teamed up with Ron & Mike to create this presentation.*

## THANKS TO ALL PARISHIONERS – HAPPY CATHOLIC SCHOOLS Week.

Our parish is educating 150 students from K – 8<sup>th</sup> grade in a complete and high standard Catholic, Christian education. We are providing a loving, caring environment of learning and love to 50 preschools. 17 infants and toddlers are given care. We provide food, shelter, love and care for all these little people to young teens. We provide jobs and opportunities. "Whatever you do to the least of my brothers, you do it to me." Thanks for helping us strive to learn and grow in God's presence.

**Congratulations to three of our "acrobatic" parishioners.** Hannah Brown (5<sup>th</sup> place); Kindall Duncan (2<sup>nd</sup> place) and Chloe Blumhorst (3<sup>rd</sup> Place) competed in Nation Acrobatic Competition and their team took 1<sup>st</sup> overall! WOW!

**K of C SCHOLARSHIP**

applications are available at the high school and at the church office. Please don't miss this opportunity to apply for this blessing.

**WHY CATHOLIC?** Why Catholic? Groups will begin winter/spring sessions in the next few weeks. Anyone interested in joining a group should contact Joe Mitchell, 886-6476 or email- [vjmitchell@yahoo.com](mailto:vjmitchell@yahoo.com). Several groups have room for participants.

**NOTE FROM HENRY:** Dear Parishioners, This past weekend I was blessed with the opportunity to attend the Pro-Life March in Washington D.C.. It was a very powerful and important trip. And I was very glad to be a witness to those you can't be a witness to themselves. Abortion is an obstruction to life, and it must be done away with. Every life is precious, and at the moment of conception is when the human potentiality is born. And human potentiality is life. To end that is to kill. We live in a country where it is against the law to destroy the unborn in the eggs of endangered animals, but it is legal to kill the unborn human in the womb of its mother. And that is a travesty.

The main point that really came to me on the trip is that of life. This sort of idea of human potentiality, and how everyone has it. It doesn't matter the race, or class, or social

standing, or intellect, or disability of a person, we all share the common human bound. People often focus so terribly much on beauty, when inside the confines of every person is where true beauty resides. In the homeless, the sick, the unborn, the elderly. It is the beauty of life, the beauty of the soul, the beauty that is the reflection of God in each one of us. Peace and Prayers, *Henry Yeagle*

Please join the Youth Group of our Parish as they demonstrate God's love by loving their neighbors through the **SOUPER BOWL OF CARING**. It's a simple, yet significant act of caring for others. Drop \$1 (or more) in the soup pot as you leave Mass on February 4th & 5th. 100% of the donations collected will go to the Marshall Food Pantry. Our young people are developing hearts for giving that can last a lifetime. Please support their efforts.

In conjunction with the SOUPER BOWL of caring the youth Group will be hosting a Soup and Baked Potato Dinner on Sat. evening Feb. 4 from 4:30-7:PM for a Free-Will donation. All proceeds will go the Marshall Community Food Pantry. Come enjoy a bowl of soup and baked potato with your favorite toppings while helping make a positive difference in our Community. On Sunday February 5th, 2012, 140 million Americans will tune in to the Super Bowl football game. There will be parties with abundant food, friendship and fellowship. At the same time, there will be people worrying about staying warm, finding shelter and a warm meal.

**Can You Help?** – Not everyone can commit to 8 to 10 hours a month as a CASA volunteer. Here is an opportunity for all who CARE to help? Be a Friend of a Child. Through small, monthly donations or an annual pledge, you can help support our local CASA program. Your donation will provide direct advocacy services to help child victims find safe, permanent homes. Please make checks payable to: 15<sup>th</sup> Judicial Circuit CASA, 1029 Franklin Ave. Lexington, MO 64067 [www.15judicialcasa.citymax.com](http://www.15judicialcasa.citymax.com)

Fourth Sunday in Ordinary Time  
 Weekend of January 28-29, 2012 -In today's Gospel we hear proclaimed the beginning of Jesus' public ministry. He teaches. He heals. All are amazed. By their baptism, Christian stewards realize they are called to do the same in their lives. They are called to be the light of Christ each day. As we bring closure to the beginning of this new year, now is a good time to ask the Lord to fill our hearts with courage and faith, so that we too may publicly minister in his name; that we may be liberated from our insecurities and fear so that we can share the Gospel authoritatively and work to heal at least one wounded relationship in the coming months ahead.

**COME WITH ME AND REST AWHILE"** – Looking for a place to find God in your busy life? The Spring Break Monastic Experience, hosted by the Benedictine Sisters of Perpetual Adoration, is coordinated with college spring breaks to give women, ages 18-47, the opportunity to strengthen their relationship with God. This opportunity is for women who might be discerning religious calling but is also for those who just want a sacred space to spend time with God during a busy time in their lives. Participants share in the Sisters' prayer, meals and work, receive input on prayer and discernment and have opportunities for fun and relaxation. Each session lasts from Saturday afternoon through noon on Wednesday, and there is no cost for attendance. Participants may choose from three different weeks to fund the one that best fits their schedule: March 10-14, March 17-21 or

March 24-28. All events will be held at the Benedictine Sisters' monastery in Clyde, MO.
